ABOUT KLE SOCIETY

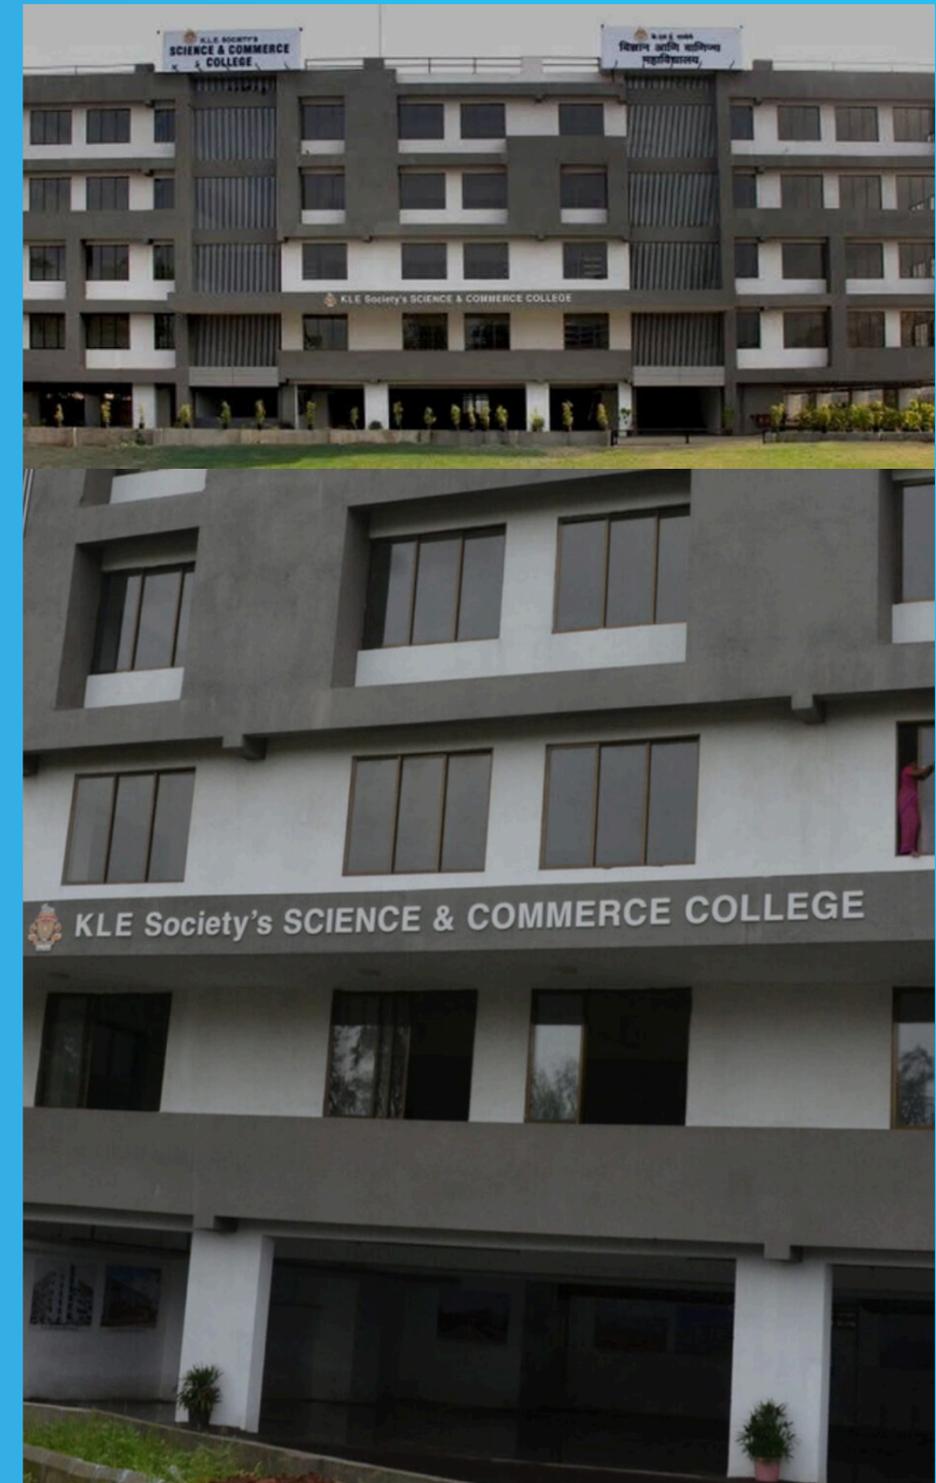

Karnataka Lingayat Education (KLE) Society emphasizes on the sound mind and healthy body for spiritual enlightenment and social transformation. The Foundation of KLE Society was laid on November 13,1916 by seven young teachers remembered as “Saptarishis” who had a vision to spread the light of education amongst all sections of society. This initiation further ushered in a new dawn in the realm of education. The society is growing unstoppably thereafter from strength to strength. At present there are 300 institutions, in the diverse faculties ranging from Arts, Science, Commerce, Medicine, Engineering, Dental, Pharmacy, Architecture, Law, Nursing, Ayurveda, Management, IT and Computer Science catering services from kindergarten to Post graduation and Professional research. KLE is a vibrant Society led by our charismatic Chairman, Dr. Prabhakar Kore who has completely transformed lives through his relentless effort, commitment and contributions through health care and education.

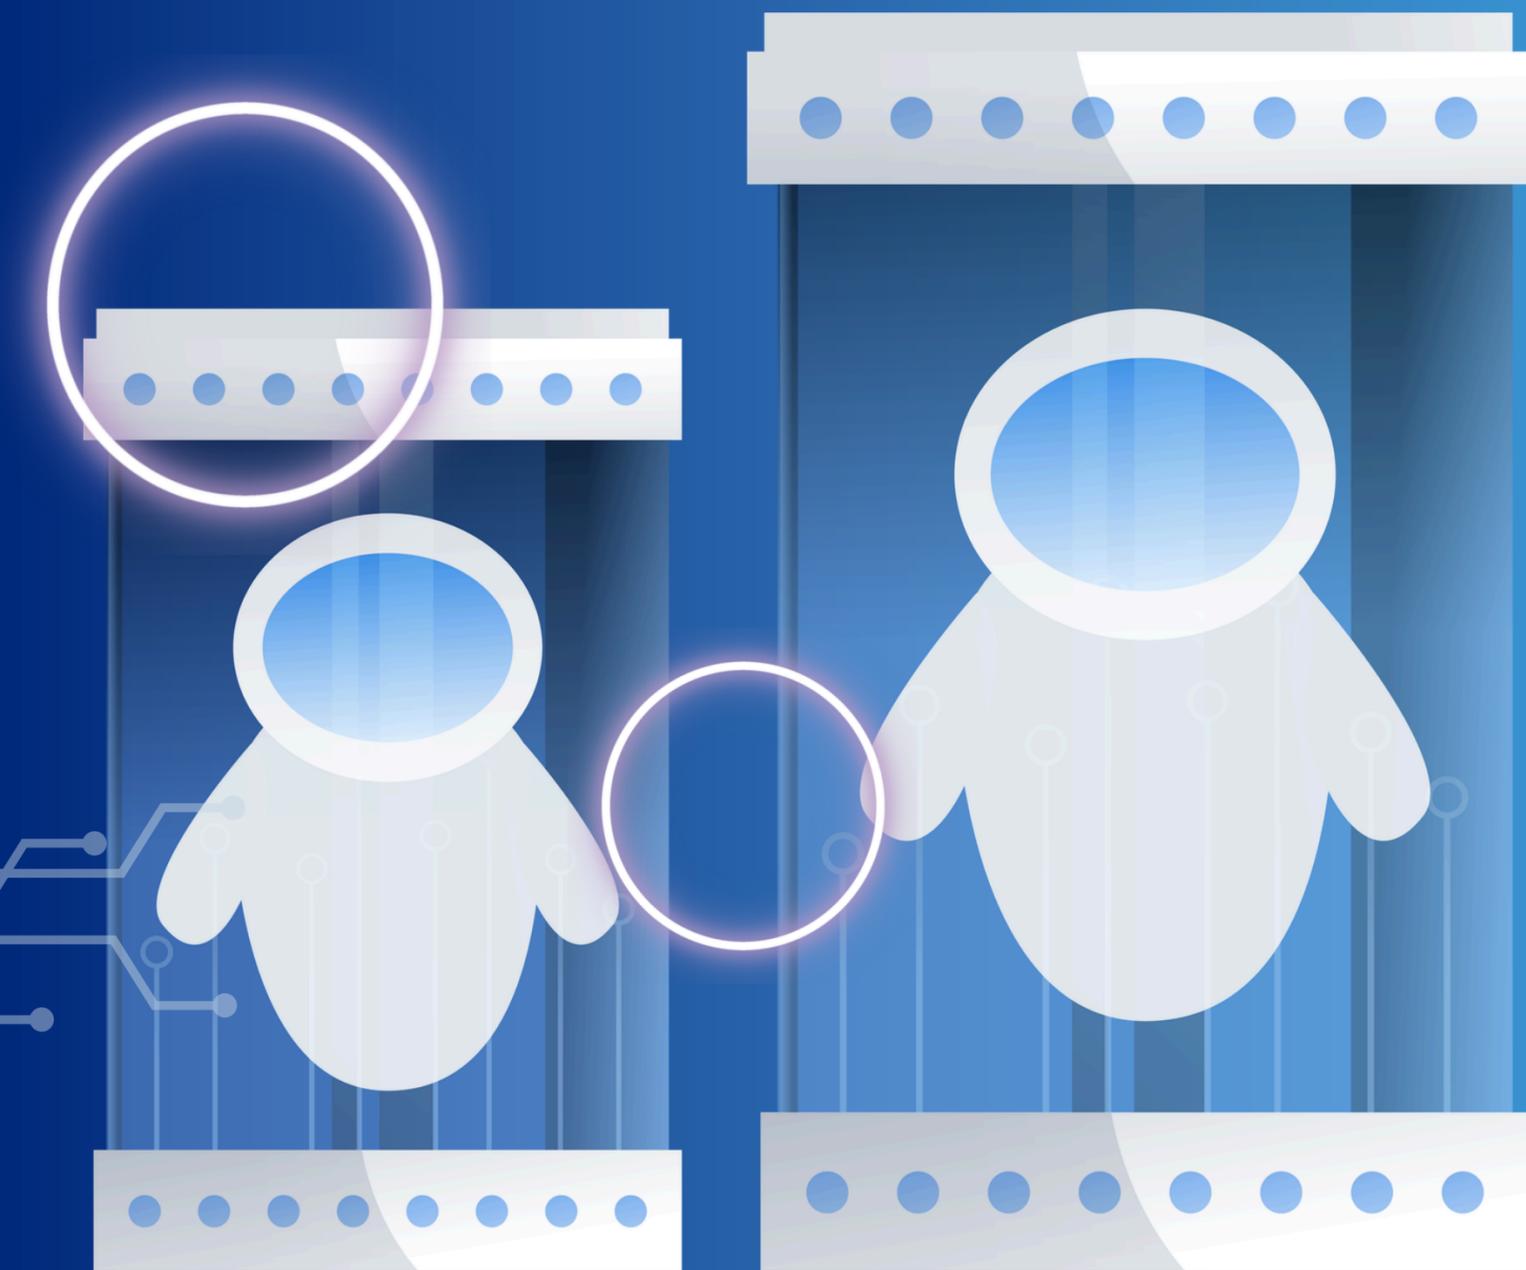

ABOUT COLLEGE

KLE Society’s Science and Commerce College, Kalamboli is one of the proud branches of KLE Society. KLE College, a minority Higher Educational Institution, located at Kalamboli, Navi Mumbai made its prosperous beginning in the year 2013 and has evolved over the years. The College has been affiliated to the University of Mumbai since the time of its inception in 2013. We at KLE are committed to offering quality learning experience in diverse educational programmes. Our college is accredited with B+ grade in NAAC .

ABOUT DEPARTMENT

The Department of Information Technology came into existence on the elevation of KLE’S Science & Commerce College in 2017. We have Bachelors and Masters Program in Information Technology. Department envisions to prepare students skill based Education in the field of Information technology. Department organizes Seminars, Workshops, Value based Certificate courses and prepares students for careers in the field of IT by offering internships and placements to students.
